

## flos FS KP H

### Harmony and comfort

The inspiration for creating this collection was a holistic combination of elements that create a peaceful and harmonious atmosphere, perfect for building good relationships. The Flos furniture collection and multifunctional acoustic screens were designed with the idea of domesticating work and relaxation spaces.

### Bar chairs

The ergonomic bucket of the Flos stool adapts to the contours of the back, providing spinal support in a classic, elegant design. Based on one basic shape, unique furniture can be created that fits perfectly in diverse arrangements. Stools are currently used in office, restaurant, and domestic environments.

### Tomasz Augustyniak

is a renowned designer and interior architect, a graduate of the Academy of Fine Arts in Poznan. He is the author of numerous collections of office and home furniture for major Polish brands.
