### Comfortable bar chair

The bar stools from the Ox:co small collection offer maximum seating comfort with a stylish shape at the same time. The bucket adjusts to the line of the back and provides excellent support for a fatigued spine. The metal frame features a comfortable footrest.

Bar stools are becoming more and more common. They appear not only in pubs and cafes, but are also often used in offices and homes.

Ox:co is a popular collection designed by Włodzimierz Orsztynowicz, which has been enthusiastically bought by our customers for years. The mini version is a well-known design retained in a smaller bucket form.
