### Return to the 1950s

The design from years ago gets back into favour. The chairs from the Epocc collection are inspired by the style of the 1950s. The colourful frames and appropriately selected patterns of the fabrics enable to create a modern interior, in which, however, you can feel the atmosphere of the beauty of old times.

### Convenience is in details

The ergonomic design along with maintaining a wide seat allow you for achieving maximum comfort while remaining a classic and stylish form. Let yourself be surprised by convenience.
