

legvan LG 401

Build an interior

The Legvan is our most iconic collection of the modular sofas designed for the communication zones and public interior spaces. A wide range of the modules allows for free creating even the most difficult spaces.

Take care of good relationships

The extensive surfaces of seats and backrest give the interior a sense of calm, neutralise the tensions associated with a flow of people in the public interiors and facilitate maintaining positive relations between the people who do not know to each other.

LG 401 / Technical data

● Standard ○ Option

Base	CODE
Powder painted (colors according to Bejot pattern book)	●
Chrome / powder coated - color: Copper	○
Additional equipment	CODE
The METAL connector to connect a set (1 set = 2 pcs)	○
Felt glides for wooden floors and floor panels	●

Legvan components are supplied in the form of partially disassembled (they require installation of legs to the seat)

LG 401 / Dimensions
